Policy learning lab: Practical approaches for smart and sustainable regions

Simpler funding

Workshop code

11A49

Workshop day/time

October 11, 14:30 - 17:00

Organiser(s)

Interreg Europe

Moderator

Ieva Kalnina, Community Manager,
Interreg Europe Policy Learning
Platforms, Latvia

Chair

Peter Heydebreck, Lead Manager,
Interreg Europe Policy Learning
Platforms, Germany

Speakers

Erwin Siweris, Programme Director,
Interreg Europe Programme, France
Peter Heydebreck, Lead Manager,
Interreg Europe Policy Learning
Platforms, Germany

The Policy Learning Platforms form the second pillar of initiatives under the Interreg Europe Programme, alongside the interregional cooperation projects. They offer a space for continuous learning where any organisation dealing with regional development policies in Europe can find solutions to improve the way they manage and implement

The experts then continued their presentation of the objectives and the key services that platforms users would be able to benefit from, totally free of charge. These are divided into two categories.

The first is available to the general public and includes free access to an extensive knowledge bank consisting of

policy advice regarding regional development issues, guidance in good practices and practitioners' databases. The expert support increases in complexity through a choice of policy learning events, thematic workshops, online e-learning geared to users' interests and an exclusive offer of peer reviews and benchmarking exercises

Interreg Europe = community
