

Co-funded by
the European Union

ShareRES

ShareRES aims at improving policies to enable an active participation of citizens in the energy transition by sharing RES through energy communities.

ShareRES 1st Newsletter!

ShareRES project, **SH**aring **RE**newable ene**R**gy through **E**nergy communitie**S**, was launched in March . Since then, partners from Latvia, Ireland, Slovenia, Romania,

the projects' partners have participated in the following activities:

The Kick-off

The **Kick-off meeting** of the ShareRES project took place in Badajoz (Spain) on the 24th and 25th of May, organized by **AGENEX**. The event included a project masterclass, workshops, steering committee meetings, and technical visits.

Embarking on Engagement

Partners started to engage their **local stakeholders** into the project activities. Most of them are planning to have the first stakeholder meeting in September, as it is the case of our partners in Latvia, Riga Planning Region.

Good practices

Project partners are analysing local examples of Energy Citizens Communities to be shared with the consortium. A **Good Practices Workshop** was held during the Interregional Event 1 in Badajoz where some interesting study cases were presented.

What lies ahead?

Donegal County Council is looking forward to hosting the **Interregional Event 2** on 24th and 25th October 2023, at Ballyliffin (Ireland) a picturesque village on the 'Wild Atlantic Way' in the north of the county.
