Policy briefs

Reuse and repair in a circular and social economy

The linear 'take, make, use, and dispose' economy is driving the climate emergency.

Spaces for innovation

Explore the importance of five types of spaces for innovation for local and regional development in this policy brief!

Empowering Citizens for Energy Communities

Discover in this policy brief how regional authorities can support the emergence of energy communities with a set of good practices and guidance drawn from the Interreg Europe community.

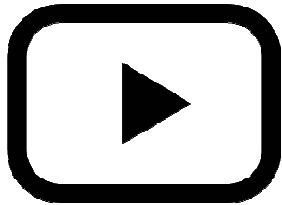

Digital innovation hubs and demonstrators

Explore this policy brief to learn about digital innovation hubs and how they can foster competitiveness and contribute to a sustainable and digital Europe.

Beneficiari dei servizi della Platform per Paese

Esperti partecipanti alle peer reviews (per Paese)

Peer review**Green Communities**

Province of Trento, Italy

Beneficiario: Provincia autonoma di Trento, Italy

Sfida

Trasformare la Val di Fiemme in un modello di comunità verde

Peers provenienti da:

Finlandia, Austria, Belgio, Svizzera

Raccomandazioni:

- **Adottare un approccio olistico strategico**
- **Identificare iniziative locali per impatti verdi sempre più forti**
- **elaborare una strategia verde congiunta che definisca sia la vision che i target da raggiungere**
- **Stabilire una struttura permanente di governance incaricata di guidare l'intero processo**

Matchmaking

Emissioni di CO2 da operazioni portuali

Beneficiari: Autorità Portuale di Santa Cruz de Tenerife, Spain

Sfida

Come misurare le emissioni e modi concreti per ridurle

Peers da

Germania, Italia (Autorità portuale di Livorno) e Francia

Hanno condiviso l'esperienza degli esperti su:

- Sistemi misurazione CO2
- Metodologie di misurazione (es. sensori acustici a Livorno)
